Capping on accrual of Loyalty Reward Points

BOI Star Rewardz is our endeavour to reward card holders for using their Bank of India Debit and Credit Card to pay for products and services.

It has been decided by bank to apply capping on the maximum accrual of loyalty reward points effective from 01.12.2022:

“Maximum 10,000 points per month can be accumulated by a customer having single or multiple cards under common customer ID or CIF.”
